Rebate Eligibility:

- You are currently a PECO Natural Gas customer replacing existing natural gas HVAC equipment with ENERGY STAR qualified HVAC natural gas equipment.
- New construction is not eligible.
- The program term is January 1, 2009 through December 31, 2010 or sooner if allocated funds are exhausted. Equipment purchases and installations prior to January 1, 2009 do not qualify for a rebate. Customers must provide a dated, paid receipt to be eligible for the rebate.
- Additional equipment qualification information can be found at www.peco.com/SmartIdeas, or call 1-888-5-PECO-SAVE (1-888-573-2672).

How to Apply:

- Mail completed and signed rebate form and receipt to:
PECO Smart Home Rebates
PO Box 40088
Portland, OR 97240-0088
- Keep a copy of your rebate form, Terms and Conditions and receipt for your records.

Terms and Conditions:

1. To be eligible for a rebate, business customers must be in PECO's natural gas service territory. The equipment installed at the service address must qualify based on the program descriptions. A rebate form must be completed for each service address.
2. The program term is January 1, 2009 through December 31, 2010 or sooner if allocated funds are exhausted. Equipment purchases and installations prior to January 1, 2009 do not qualify for a rebate. Customers must provide a dated, paid receipt to be eligible for the rebate.
3. Philadelphia County residents and businesses receive gas service from other providers and are not eligible for this rebate.
4. New construction is not eligible.
5. **Documentation must include the completed, signed rebate form and a dated, paid receipt that lists the contractor name, address, phone number, equipment make, complete model number and installation date.** Rebates are processed, generally, within 4-6 weeks of receipt of your rebate form. If your equipment is selected for verification, processing may take additional time. An incomplete rebate form cannot be processed. A PECO representative may contact a customer by phone or mail in order to complete the form.
6. Customer, if requested, agrees to grant PECO or a PECO representative access to the installation site to verify the installation of the equipment. If customer refuses a PECO request for access to verify installation, PECO has no obligation to provide the customer a rebate. PECO representatives may contact the equipment's installer to confirm equipment installation and/or customer to verify rebate form information.
7. Customer must have installed qualifying equipment. Equipment must be new.
8. Selection of qualifying equipment, manufacturer, dealer, supplier and/or installer and purchase, installation and ownership/maintenance of the qualifying equipment referenced in the rebate form are the responsibility of the customer. PECO does not endorse any specific manufacturers, dealers or contractors and makes no representations regarding specific manufacturers, dealers or contractors or their workmanship. PECO also makes no warranty for the use of the equipment. By participating in this program, customer agrees that PECO has no liability concerning the quality, safety and/or installation of the equipment, estimated energy savings of the equipment, workmanship of any third parties, installation or use of any equipment.
9. Customer is responsible for meeting program requirements and complying with state, county and city governments, property owners and/or homeowner's association requirements regarding restrictions, codes, ordinances, rules and regulations concerning the equipment installation.
10. PECO is not responsible for items lost or damaged in the mail.
11. Funds are limited and subject to availability.

ENERGY STAR and the ENERGY STAR mark are registered U.S. marks
